Sherman E. Burroughs *Class of 1965* *20 Year Reunion*

Wow, what a great time we had!! To all of you who attended, thank you for making the reunion a great success. To those of you who were not able to come, enjoy the following pages and please plan to attend the next reunion, we missed you.

All of your compliments have been a joy to us and truly made the months of work worthwhile, but we have to be honest--it was fun, fun, fun planning it, especially since Joe and James kept us rolling in the aisles at the committee meetings. If anyone would like to work on the next reunion committee, please contact Newella, she has taken on the monumental job of class historian and will probably be available to head the next reunion. Do it, you will love the experience.

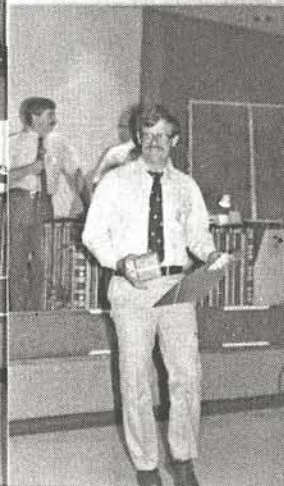

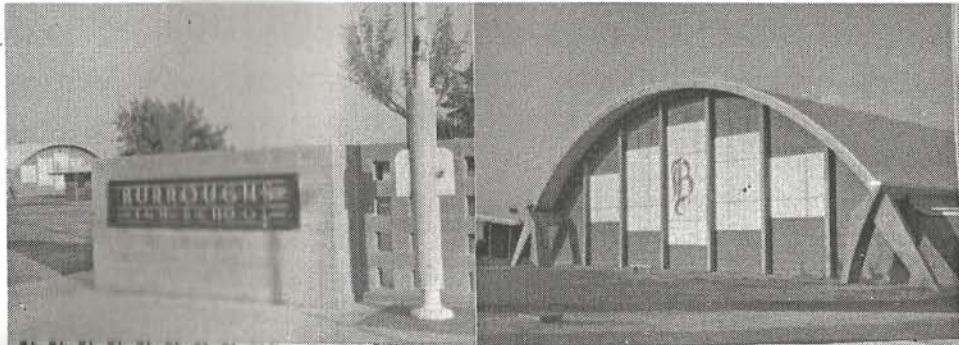

So many people to thank, here are just a few: Joy & Don Willett, due to your prodding from afar (Sacramento) the reunion got started. Thanks also for video taping the picnic, Don. Thanks for the cover design, Barbara (Greedy) Greenmun. Thanks to the scatter sheet photographers, Cliff Hunter and Don Willett. Thanks, door greeters, Kim Manley and Patty Wood and thank you, Senior Standouts for being such good sports.

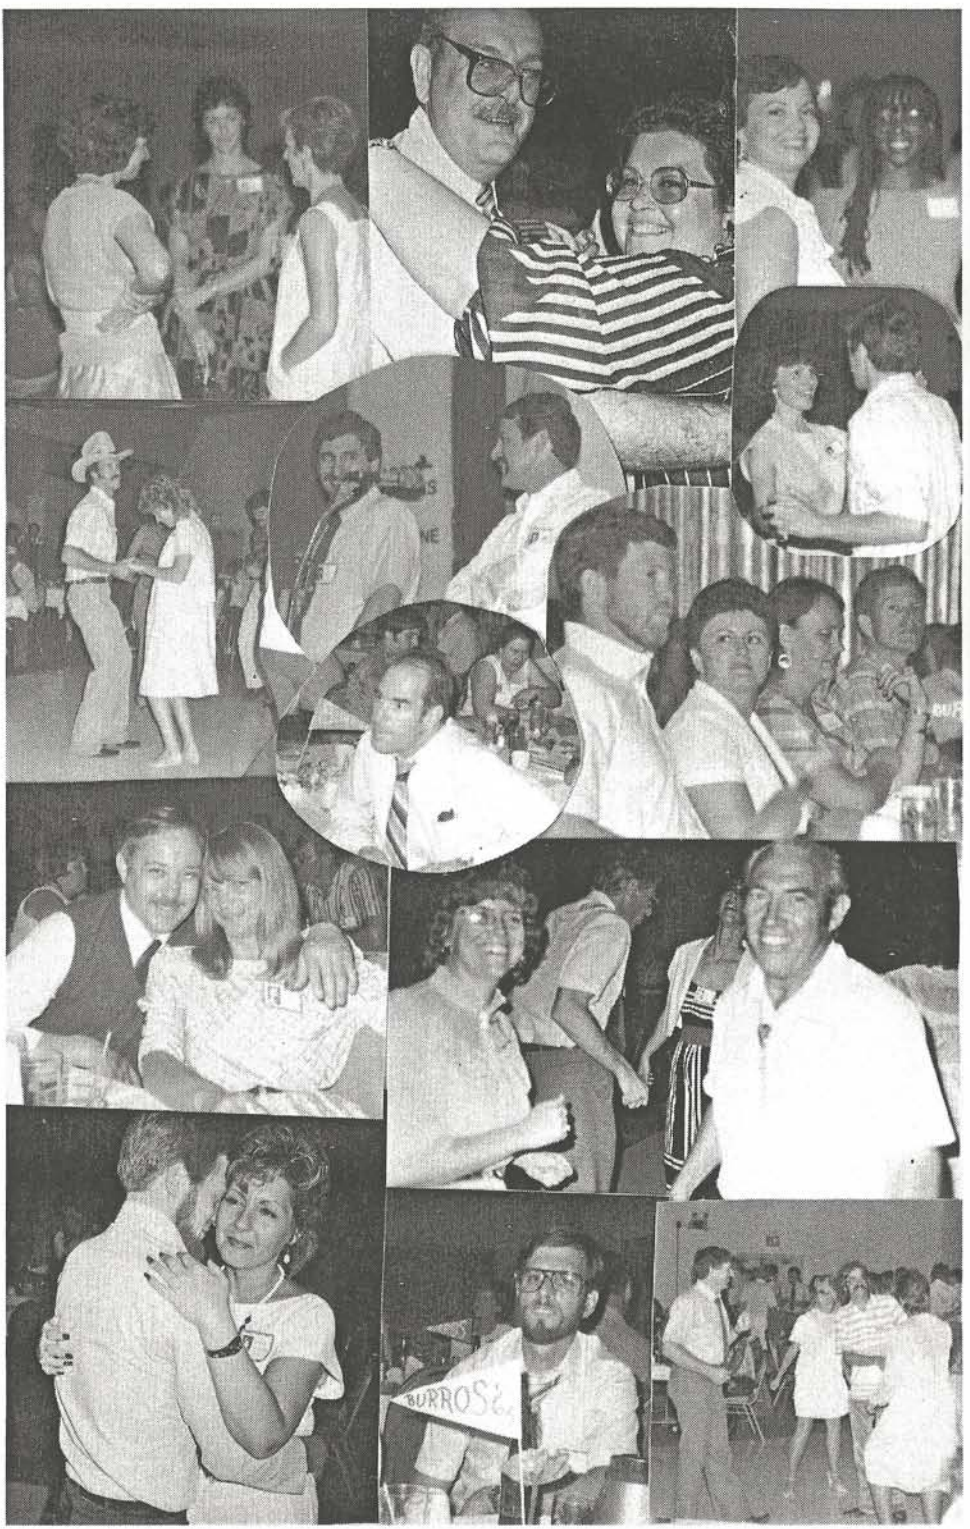

Most of all, thank you, class of 1965, for being wonderful people. The love felt by all at the reunion will not be forgotten. Until we are together again.....God bless you all.
